President Gilday called the meeting to order at 9:43 a.m. and thanked everyone for coming. A quorum was not met (see sign-in sheet).

Board Reports

President's Report *(President Tracy Gilday)*

- President Gilday is very appreciative of the secretaries for helping with the Kindness event. There are only about 116 bars left and they are expected to be sold out within the next 5 days.
- We did not hear back from Winco about our grant application. Vice President Ahmed will attempt to contact them again.
- President Gilday will also try to contact Walmart again about a different grant application.
- The teacher grant application period is about to begin. April 1, 2020 is set as the deadline for teachers to turn in their grant paperwork. The grant applications will be reviewed at the April PTSA meeting. The grants will be voted on at the May PTSA meeting. The deadline for teachers to spend their money is June 30. Reminders of these deadlines will be sent out to the teachers on June 1 and June 15th.
- We need to establish which board members would like to continue in their positions next year. Kim Jordan will head the nominating committee.
- President Gilday is looking into having the back to school packet materials ready before school gets out. This way they can be put together well in advance of the new school year.
