

Athey Creek Middle School PTSA – Grant Application 2020-2021

It is the goal of the Athey Creek PTSA to provide resources and opportunities for classroom instruction and student enrichment through this grant process. Since the launch of this grant program, PTSA grants have provided resources and opportunities such as the Reader Board in front of the school, books for English curriculum, instruments for the band program, and lab equipment for science programs.

Applicants are encouraged to apply individually, to form partnerships, and/or work collaboratively in grade level groups to provide benefit to the maximum number of students.

Special consideration will be given to grants that provide for sustainable programs to span multiple years. Please submit your grant by **MAY 1st, 2020** to president@athecreekptsa.com

All grants awarded must be expended by **06/30/2020** unless otherwise noted in the grant application. Any funds that are not expended by this date will be re-allocated to our funding pool for the following year to be considered with the new community grant proposals.

Project Title: MS Dance Team Enrichment

One-Time Project: Start Up help for the 2020-2021 Season

Project Description: I would like to ask for a one time grant of \$300.00 to help get our current dance team up and running for the 2020-2021 dance season. We have been around as a team for 20 years and have never had to ask for help, so we really appreciate the opportunity to ask the Athey Creek PTSA. We had extended dance from our normal season of ending in February until April 4 so we could attend a MS Championship competition. Unfortunately, due to the pandemic we had to cut our season short. We had planned to do a Spring fundraiser to help with the championship expenses as well, and generally we host a summer camp where we could have made up some of the funds, but at this time that isn't looking like a possibility. I would love to see us start the 2020-2021 season in the fall with a fresh start! Thanks so much for looking in to this, and please let me know if you have any other questions!

Sincerely, Christy Bray
